

Hello students!
In today's class
we will be
learning about
internet safety.

So guys, one of the
most important things
is to always keep your
passwords secret
(except for your
parents). Also never
talk to strangers!

Never give personal
information like phone
number, address,
passwords or photos
to strangers. Be
careful what you post
on social media!

We learned a lot of
things today. Pack
your bags and you
can go home. See you
tomorrow.

Later that day

Today's class was
really interesting.
Wait, what is this?
Someone messaged
me. It says „unknown
user“.

Unknown user

Hey, I've got a special deal for you!
Give me your address and I will send
you a big surprise but you have to do
one thing- Don't tell your parents.

UGH! What is
this???They think
they can scam me-
HA, I WILL BLOCK
THEM! Thank God
today we learned
about this in school.

Tomorrow I will
tell my teacher
what happened.
She is going to
be proud of me.
